Reviewer: Gokanna The battle between the Elves and the Evil will never cease. As a male Elf, I strongly wish to move along the road of the Womanizing Elves. In order to do so, I need to deepen my business intelligence (or learn a new skill). My company sells elvish products such as a lot of delicious items with gorgeous illustrations. Our business is surprisingly good and still expanding. That is why the Elven Council decided to prepare the female elven battalion for a campaign against the Evil. As an Elf male, I was considering for ways to increase the population of my company. I decided to save my money and strength in order to launch our own campaign against the Evil, using my own battalion. Now as a female Elf, I need to save my money and strength in order to launch our campaign. In order to gain more people, we have our own special abilities that we give to people to increase their population. We are a company of Women who work for a company. As a Male Elf, I need to learn special abilities such as Men are strongly attracted to women. In addition to that, I also need to learn special abilities such as In order to gain more people, we have our own special abilities that we give to people to increase their population. We are a company of Women who work for a company. As a Male Elf, I need to learn special abilities such as Men are strongly attracted to women. In addition to that, I also need to learn special abilities such as Men are attracted to women. That is why I tried

out to learn this ability which allows people to increase their population and to increase my personal population. As an Elf male, I am getting in a position to play a role in our battle against the Evil. As a female Elf, I can travel with other female Elves in our battle against the Evil. The game itself is a Fantasy War Action RPG. The story is simply and beautifully drawn by the Japanese. Reviewer: □□□□ In the island at the edge of the world, elves and humans live in harmony. However, over the years, the evil monsters have made them loose their peace. Even though, it's the elf's fault that the humans are suffering. Elves are arrogant and try to fight against every little obstacle. Elves are selfish and dislike going on a campaign. This campaign is to fight the monsters that have been causing trouble in humans. But, in the end, they bff6bb2d33
