
**REPACK Elden Ring: Deluxe
EditionSKiDROW [+ DLC] [April-2022]**

A fantasy game developed by the team of BANDAI NAMCO Studios that excels in action, the story from the perspective of light and darkness, that develops an action and adventure that are full of passion and excitement. This quest is to explore a new fantasy world with a myriad of exciting scenes that are related to the story. RISE A dark god looming over the Lands Between. As the time for the summoning of the Elden Ring approaches, the Elden Lord has assumed his appearance and has spread terror throughout the land. The time for you, a strong warrior, has come. CHARACTER DEVELOPMENT Nestled amidst a foggy world, you can freely develop your character according to your play style. As your proficiency increases, new skills and spells will be added, giving you the chance to make your character as you wish. TRANSPORTATION With a vast range of exciting surroundings, from the colorful city of Vathris to the lush forests of Ocosh, this world was built with future adventurers in mind. Experience the action of a fantasy world with unparalleled freedom. LANDS BETWEEN Nestled in the center of this world, the Lands Between are a place full of a sense of despair and isolation. With an intriguing story and a three-dimensional design, you will discover many exciting scenes on your journey! CHARACTERS The character classes in this game are reduced to three choices: a Warrior, a Mage, and a Mystic. By developing your character, you will be able to freely play as a class suitable to your play style. **All item prices are subject to change without prior notice.** The following price changes apply to the items released on September 30th: ■ All items priced at 280~295, 300~325, 350~375, and 400~430 GY will be set to 285~305, 325~350, 375~405, and 430~455 GY, respectively. *Price starts from an early September 30th. Effect:Increased # of Recovery Reduction 1:+1

Display:Yes

Duration:99 hours

Movement:None

Condition:none

Effect summary:

As if the primary effect of this product was more remarkable than I had expected, I have too much fun making the secondary effects. Let's see - it increases the value of the metamorphosis system as well as increasing the value of the skills in class. We'll stick to the underlying materials.

Effect:Metamorphosis +5

New Effects:
