The game invites you to join the adventure of the first Holy War and the legendary Elden Ring! A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. Explore in dungeons and fight monsters using special techniques known as “Daumans”. Each scene will greatly increase with the player’s adventure. Create your own character and become an Elder Lord. Full and easy customization to suit your play style, and the increasing power of your character will develop during the adventure. A story in which the various thoughts of the characters intersect. The Lands Between is a world full of myths and legends. A multilayered story, which gradually unfolds as the game progresses, and the additional items known as “Agency of the Void” will greatly increase the story’s depth! Enjoy the story along with your friends in online multiplayer and asynchronous online play! GAMEPLAY New Fantasy Action RPG. The latest action RPG by FromSoftware, TARNISHED - Rise of the Elden is a story about a world wherein the five gods dwell at peace. An ordinary life is lived, but at some point in time, the land itself starts to change, and in the depths of the forest, a mysterious being with black clothes and a hooded face appears. A being who has "received blood from the four gods," the "One who has not been chosen." The person who sees the One observes the change in the land as well as in the human realm. The formation of a "Nine-Tailed One" who roams the land and lives as a specter is feared as it threatens to consume the world. An increase of Elden who have weakened the power of the gods awakens. The sky is filled with a blindingly bright light, and the formation of an Elden Noire who wishes for "life" and a prophecy as to how many "Days of Awakening" have passed has begun. While the world is terrorized by an attack by demons, a young girl wearing a Witch's robe appears. As she keeps saying, she has the power to hear the

"Voice" of the five gods, and her name is 5' Black Fox. GREAT OPEN WORLD The World Map, which has been planned to be highly detailed and full of diverse content, has been ensured to be in HD. Even if you travel to the far corners of the world, you can freely enjoy an impressive and extensive map. There are also several characters to talk to and various dungeons for you to challenge. In addition to exploring the map, there are numerous tasks for you to complete. Outfits purchased in a store can be used for "expansion." You can purchase the Battle Stance effect or the effect of increasing strength and stamina. You can also buy armor and weapons, which will help you progress in the game. The weapon and armor shop is also being prepared to ensure your continued gameplay enjoyment. EXPANSIVE BATTLES There are many battles in the game, where you will be able to take part in fights with up to nine NPCs, including many bosses. If one of the allies you have with you is injured, you will be able to use the experience of the allies you have injured as experience points and increase your power. Along with bff6bb2d33
